Dear Sir:

On February 14, 1993, this office determined that an underground storage tank system (UST) at the subject location is not in compliance with North Carolina Administrative Code (NCAC) Title 15A Subchapter 2N "Criteria and Standards Applicable to Underground Storage Tanks". It is our understanding that you and/or your firm are the owner/operator of the UST System. If you feel that you are not responsible for the following violations, please notify this office within seven (7) working days.

The violation is as follows:

Failure to submit site investigation results following permanent closure as outlined in 15A NCAC 2N .0405. Within 30 days of receipt of this notice, you must: (a) submit to this office the above cited report or (b) file a notice of intent to permanently close the UST system and proceed with said closure or, (c) present documentation explaining why the tank is exempt from these requirements.
